The above applicants purchased apartments individually from the Corporation and have been using the water at their various apartments from this well. Proof of completion of work was filed on January 14, 1955 but because of a failure on the part of the applicants to comply with provisions of the permit, the permit was cancelled March 10, 1966 but the above individuals have been using this water at their apartments for domestic purposes since that time so actually this is an application on behalf of the individuals to renew the original permit.
